

Brewcycle is a local Austrian startup transforming brewery by-products into high-performance, sustainable fertilizer. We are closing the loop in the Austrian brewing industry and looking for two motivated students/freelancers to join our mission for the upcoming season in **Vienna**.

THE OPPORTUNITIES

Project-based freelance roles with flexible scheduling and remote-friendly collaboration.

1. Creative Brand Designer

- **The Mission:** Translate our visual identity into professional marketing materials.
- **Key Tasks:** Design digital assets, exhibition banners, and product documentation.
- **Requirements:** Design software proficiency, modern portfolio, and **German language skills**.

2. Partnerships & Outreach

- **The Mission:** Be the face of Brewcycle at industry fairs across **Austria**.
- **Key Tasks:** Engage stakeholders, manage inquiries, and support lead generation.
- **Requirements:** Outgoing demeanor, professional communication, and **Native German level**.

WHY BREWCYCLE?

- **Local Impact:** Directly contribute to a greener future in the Austrian startup ecosystem.
- **Career Path:** Hands-on experience with the **potential for a full-time role**.
- **Flexibility:** Work that fits around your university schedule.
- **Compensation:** Competitive project-based financial compensation.
